

Substance Use / Mental Health Network

SUMHNet

What is SUMHNet?

SUMHNet is a group of health care providers, consumers and carers with an interest in dual diagnosis- co-existing mental health and substance use issues..

SUMHNet's aims include

- to act as a supportive, information sharing network for people with an interest in dual disorder
- to promote awareness of individual projects & programs
- to sponsor & support the development of a consistent statewide philosophy for the support & treatment of people with a dual diagnosis
- to promote service collaboration and common goals between psychiatric and drug & alcohol services
- to conduct relevant research

How to contact SUMHNet?

SUMHNet meets bimonthly, alternating between a city and a rural venue.

For details of the next SUMHNet meeting please contact either Robyn Jackson on 03 9356 5611 or Gary Croton on 03 57220 347

SUMHNet is auspiced by VICSERV, the peak body for non-government Psychiatric Disability Support Services in Victoria.
